PROFESSIONAL INSTRUCTION

Pleasant Valley Golf Club is proud to offer professional instruction throughout the year. All instruction is 1 on 1 with our Director of Golf, Ken Ivory. Ken's extensive background in the golf business and his knowledge of the golf swing make him one of the most qualified instructors in the area. Whether you are new to the game and looking to pick it up as a hobby or you are a weekend warrior and just want to sharpen your swing, Ken will work with you and develop very simple steps to attaining your golfing goals.

We proudly offer outdoor instruction in our Bullpen area, chipping green and putting green and we now offer indoor instruction on our brand new HD Golf Simulators featuring remarkable swing analytics and instant feedback with club angle at impact, club head speed, ball speed and smash factor to name a few. Adding the indoor feature for lessons truly gives the golfer incredible feedback that they can see on every swing.

For any questions or to schedule your lesson today, contact Ken Ivory at 724.628.6360, x4 or at keni@pleasantvalley.golf
