Welcome– Now open to the Public!!!

We are pleased that you are considering Pleasant Valley Golf Club as your golf destination of choice. Once you experience our friendly, relaxed atmosphere and the close attention that we pay to the conditions of our course, we are confident you will agree that our club is one of the best values in Western Pennsylvania.

In addition to golf, our clubhouse facility has a large ballroom for all of your weddings, showers, conferences and meetings, a completely renovated and updated kitchen, our 19th Hole bar & restaurant which has also been completely renovated and includes an open air dining room. Also, open now, The LockerRoom; a brand new sports bar and indoor golf facility featuring top of the line indoor golf simulators, a brick fired pizza oven and a large variety of domestic and craft beers. Other amenities include 2 stocked fishing ponds and outdoor patio with a gas firepit for all your family to enjoy.

We will again be doing a lot of construction this year. From installation of a new roof, paving the parking lots and continued cart paths, numerous projects on the golf course including construction of our new island green #17 and massive tree and stump removal. With the inconvenience of the construction, we have lowered the season passes to thank you for your patience. **In addition, anyone that has not been a season pass holder at Pleasant Valley before, we would like to extend even further savings to you! We are pleased to offer these special introductory rates for 2019 if paid in full by March 31, 2019!**
