2022 JUNIOR GOLF IS LIMITED TO THE FIRST 60 PAID APPLICANTS!

Pleasant Valley Golf Club has hosted a Junior Golf program for over 25 years. Our Junior Golf Program strives to create a fun environment that emphasizes athletic development, as well as focus on all aspects of the game that we all love so much including full swing, chipping, putting, the rules of golf and etiquette.

Our Junior Golf program lost one of it's biggest supporters a few years ago with the passing of Mr. Lee Dofi. Lee was a long time member of Pleasant Valley. He was incredibly generous with the Junior Golf Program and absolutely loved to see all of the kids on his course playing and learning the game he loved so much. In memory of Lee, we have created Lee's Kids; a not for profit corporation formed for the purpose of promoting the game of golf for all junior players and providing financial support for Pleasant Valley's Junior Golf Program for years to come. This year's season ending event has been renamed in honor of Mr. Dolfi and will be forever known as Lee's Kids Junior Invitational.

Our Junior Golf Program has a long history and a well established reputation of providing an enjoyable golf experience and learning a game that will stay with participants throughout their lives. Junior Golf this year will again focus more on education of the game, swing concepts, putting, chipping and as always, having fun. Children and young adults need to be relaxed while learning and we have been able to provide that atmosphere with the addition of some of Pleasant Valley's most successful and decorated graduates of the program to be instructors for this years program. Our new instructors have been successful at the high school and college levels, winning multiple team and individual championships. We are lucky to have these young men and women working with the Junior Golf Program.
